Cheryl Smith

Mistress at Arms

Hello ladies,

Just sending a reminder that we will have started taking applications for our Maureen T. Lavin Scholarship Grant starting with our February meeting until the conclusion of our May meeting, at which time we will choose our recipients. For our new and transferred members, this grant awards a one-time grant for incoming Freshmen into an Archdiocesan high school of their choosing. We'd prefer that this be a need-based scholarship as opposed to one for just A students, as those top students may be receiving other awards as well. It's optimal to present these awards to students with ties to our membership and community, as well as students with a good work ethic, who participate in Catholic activities (Outreach, CYO, etc.). If there are any questions about our grant, please do not hesitate to contact me. Thanks, Cheryl Smith

To our newly transferred sisters:

From Division #22 –

Debbie Lenczynski and Johanna Kelly

From Division #51 – Frances Dolan, Megan Donohue, Natalia Katchuk and Regina Valentine

We welcome you to our division named in honor of Saint Katharine Drexel!
